

Hi,

I'm Rebecca (Beckie) Blunden, Maisie (BB4) and Felicity's (MB3) mummy.

During school hours I work freelance as an editor of book manuscripts (including children's books), studies, and technical reports in English.

Outside of school hours, I enjoy hanging out with my daughters, spending as much time outside as possible and knitting, especially making garments for my girls to wear...

I'm very excited to join Astrid and Jeroen as a parent representative on the De Abeel MR. I enjoy talking to other parents on the schoolplein and am open to discussions about anything you find important to pass on to the school staff, in terms of how the school works.

As an ADHD-er, I also have a special interest in neurodiversity (for parents and well as children), and am keen to gently encourage dialogue around this topic at school - where possible.

Please feel free to come and have a chat with me at school, whenever you like.

Rebecca
